## Virtual Conference for Cancer Biomarkers

July 15, 2021

### PROGRAM

**Improving Cancer Treatment  
by Broader Access to High  
Quality Biomarker testing**

16.00 - 16.10

**Welcome****Kathi Apostolidis**, ELLOK President**Program presentation – Moderation:****George Kapetanakis**, ELLOK Secretary

16.10 - 16.35

**Addresses****Basilis Kontozamanis**, Deputy  
Minister of Health**Evaggelia Sofouli**, Secretary of the  
National Council for Research  
and Innovation (NCRI)**Olympios Papadimitriou**, President of  
the Hellenic Association of  
Pharmaceutical Companies (SFEE)

16.35 - 16.45

**The role of biomarkers  
in cancer treatment****Prof. Nicola Normanno**/President  
of IQNPath (CFMD)

16.45 - 17.15

**Presentation of the results for  
Greece of the European research  
“Unlocking the potential of precision  
medicine in Europe – Improving  
cancer care through broader access  
to quality biomarker testing”****Verena Ahnert**, LEK Consultants  
**Lea Ralph**, LEK Consultants

17.15 - 17.30

**The evolving role of the pathologist  
in cancer diagnosis and treatment****Afroditi Nonni**, President of the  
Hellenic Society of Pathology (EEPA)

17.30 - 17.45

**Selection of most appropriate  
treatment for each cancer patient  
with newer biomarkers and  
treatment shared decision making  
with the patient****Zenia Saridaki**, President of the  
Hellenic Society of Medical  
Oncology (HESMO)

17.45 - 18.00

**How well informed are cancer  
patients about the role  
of biomarkers in their treatment?****Kathi Apostolidis**, Board Member  
of the European Cancer Patients  
Coalition (ECPC) & President of the  
Hellenic Cancer Federation (ELLOK),  
Member of the Steering Committee  
of the European Biomarkers Survey  
by IQNPath - ECPC - EFPIA

18.00 - 18.15

**Genomic tumor profiling -  
Key driver for precision oncology:  
Challenges and opportunities****Costas Stamatopoulos**,  
Hematologist – Director of the Centre  
for Research & Technology  
Hellas (CERTH) & Project leader of the  
National Network of Precision Oncology

18.15 - 18.30

**Quality assurance of biomarker  
testing and labs accreditation****Ass. Prof Athina Markou**,  
Analytical Chemistry Laboratory  
of Athens Kapodistrian University

18.30 - 19.00

**Discussion with  
the participants**

19.00 - 19.15

**Wrap - up  
Conclusion**
